# FOR THE LOVE OF SOUND.

Bose Corporation was born of desire. The desire to create audio products that recreate the power of a live performance. Stirring emotion through music. Escaping into the action of a film. Celebrating the love of sport.

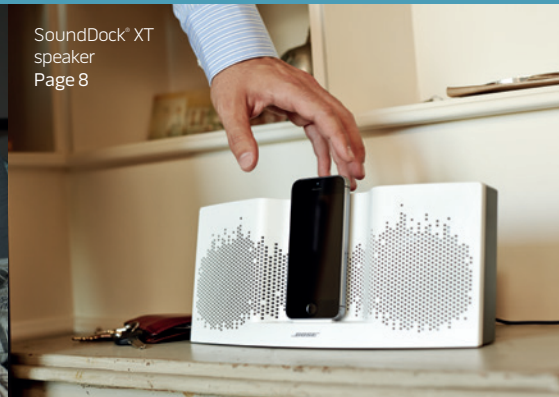

That's why we've committed 50 years to research. Our innovations are guided by our love of sound. We want to help you have an extraordinary experience, whether you're listening to your favourite song, watching a new series, cheering on your home team or exploring the next level of your video game. That's why we're the most respected name in sound.

## Introducing SoundTouch™

Better sound is now one touch away. With a Bose® SoundTouch™ system, Internet radio, your own music library and music services like Deezer™ and Spotify® can all be streamed with the touch of a button. Featured in a wide range of Bose systems and speakers, SoundTouch™ makes listening to music easier than ever. All that's needed is a home or office Wi-Fi® network – no extra equipment is necessary. And more SoundTouch™ systems can be added at any time for a multi-room experience. Identical music can be played through each system, or different music can be heard in different rooms.

The free SoundTouch™ app makes personalising up to six presets easy. Once set, the system provides complete and simple control – one touch. It's as easy as flipping a light switch. The app can also be used to control the SoundTouch™ system from a computer, smartphone or tablet.

## SoundTouch™ Portable Series II WI-FI® MUSIC SYSTEM

Delivers clear, full sound that exceeds the system's compact size. Can easily be taken from room to room – or outside to the patio – while the rechargeable lithium-ion battery keeps the performance going for hours. Proprietary dual passive radiators create lifelike sound quality.

Consumer price: € 399,95 | □ White ■ Black  
Dimensions: 14.9 x 24.8 x 6.4 cm (HxWxD)

## SoundTouch™ 20 Series II WI-FI® MUSIC SYSTEM

Rich, room-filling sound from a compact system. The power supply is hidden inside, making it easy to place just about anywhere since it can be plugged into any outlet without a large adapter taking up space. Proprietary Bose® acoustic design provides room-filling sound.

Consumer price: € 399,95 | □ White ■ Black  
Dimensions: 18.8 x 31.4 x 10.4 cm (HxWxD)

## SoundTouch™ 30 Series II WI-FI® MUSIC SYSTEM

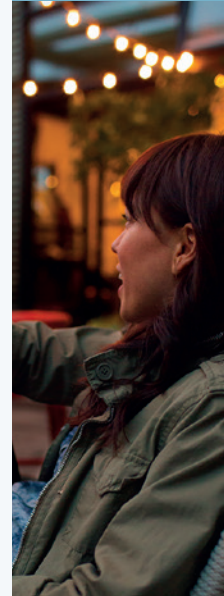

Deep, rich sound makes this the best-performing one-piece Wi-Fi® music system from Bose. Proprietary waveguide speaker technology – invented by and only available from Bose – provides sound that can fill even large rooms, making it suitable for use as the home's main music system.

Consumer price: € 699,95 | □ White ■ Black  
Dimensions: 24.6 x 43.5 x 18.1 cm (HxWxD)

## Wave® SoundTouch™ WI-FI® MUSIC SYSTEM

An all-in-one audio system with CD player and DAB/AM/FM tuner. See page 18.

## Bose® Solo 15 TV SOUND SYSTEM

The Bose® Solo 15 TV sound system brings TV programmes to life with clearly better sound. Thanks to advanced Bose technology, you'll hear more of the dialogue, music and sound effects you've been missing - without needing to constantly adjust the volume. Yet this system is small enough to fit neatly underneath your TV and connects with a single cable. It even includes a universal remote that makes it easy to control your TV and video sources. Or choose the original Solo system, suitable for most smaller TVs.

Consumer price Solo 15: **€ 449,95** | ■ Black | Dimensions: 7.6 x 62.8 x 35.6 cm (HxWxD)  
 Consumer price Solo: **€ 399,00** | ■ Black | Dimensions: 7.0 x 52.5 x 30.9 cm (HxWxD)

\* The Bose Solo 15 TV sound system is designed for TVs with bases no wider than 24" (61cm) and no deeper than 12.25" (31cm). Most TVs 46" (117cm) and smaller meet these requirements, and some 50" (127cm) TVs will fit as well. The maximum weight that can be placed on the Bose Solo 15 system is 75 lbs. (34 kg), which is twice the weight of a typical 42" (107cm) television.
